MEMORANDUM FOR THE DIRECTOR:

Dick Harkness is the new president of the Overseas Writers in Washington. He asked me to give you a warning that he will invite you to give your annual off-the-record luncheon talk to the Overseas club on any date convenient to you.

NEW SUBJECT:

Mr. Fryklund of the STAR told me this morning that Senator Mansfield spoke of CIA as being a fine organization and had particular praise of Mr. Dulles, the Director. I passed this information on to Norman Paul.
